Due listelli in legno (spessore: 8 mm)
Two wooden strips (thickness: 8 mm)

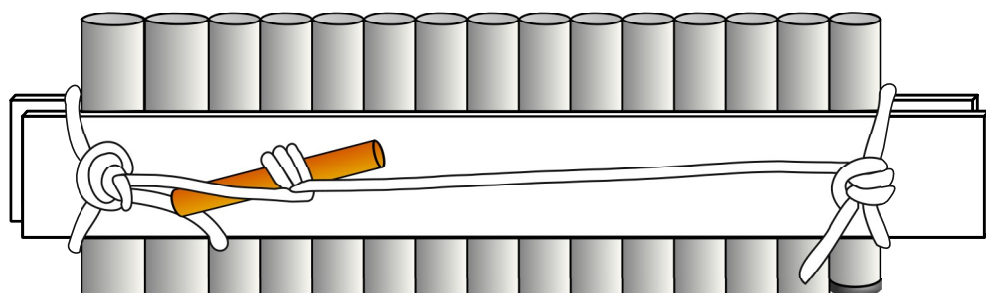

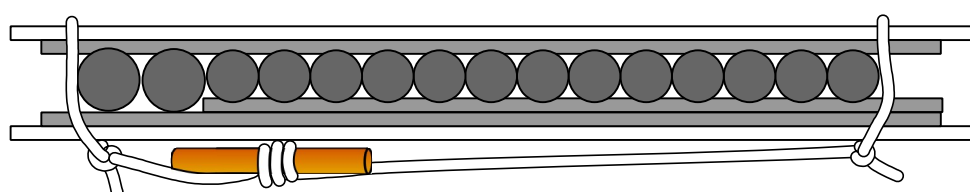

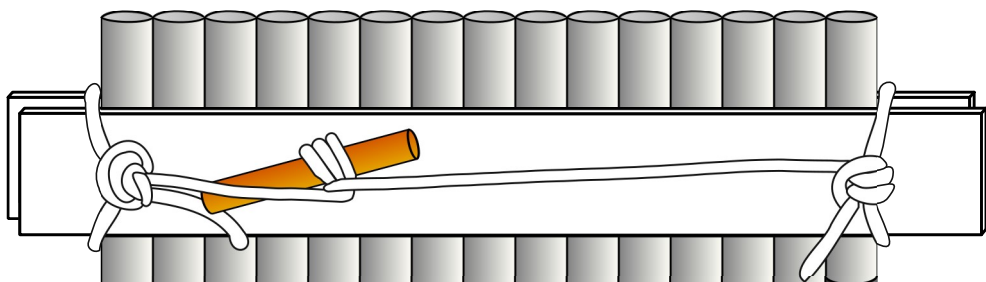

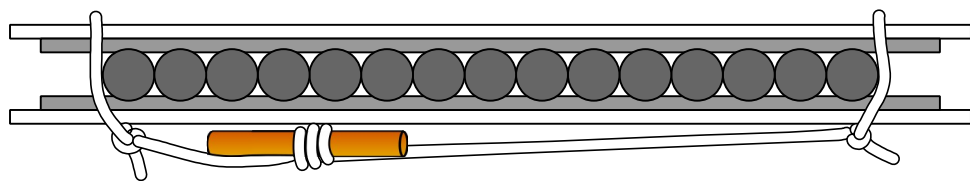

Con guarnizioni per infissi autoadesive in un lato
With self-adhesive window seals on one side

Bastoncino in legno o matita
Wooden stick or pencil

Corda o spago: 90 cm
Rope or twine: 90 cm

Ø 16
Ø 16

Ø 20

Ø 20

Da Do4 a Mi4 il suono è migliore
con canne da 20 mm di diametro
*Sound is better with 20 mm diameter
pipes from C4 to E4*

In questo caso aggiungere una striscia di
guarnizione di fronte alle altre canne più strette
*In this case add a strip of self-adhesive window
seal in front of the other narrower rods*
